

“From creation to revelation,
reading the *Chronological
One Year Bible* allowed me
to experience God’s Word in
a whole new way”

Grow in your faith and your understanding of the big picture of the Bible this year with the *Chronological One Year Bible*. Daily 15-minute readings guide you through the entire Bible in the order the events actually happened. Psalms follow the events about which they were written. The life of Christ is woven into one moving story. And Paul’s letters to the young churches in the first century are integrated into the book of Acts. Look for it in the **NEW LIVING TRANSLATION**. Also available in the New International Version.
